NIGHT TIME PARKING

- Night time parking for aircraft serviceable with either one or two fingers.
- **Application of first period only both after arrival and before departure**
- In case the finger is needed for other arrival flights, or for technical reasons, ADR might ask the carrier to move the aircraft to another stand (the carrier will be charged for the cost)
- Should the aircraft not be moved ADR will charged the carrier with an amount of 350,00 Euro added to the mentioned costs
