

FORMAL STATEMENT TO THE PURPOSE OF ENTRY IN ITALY

In order to counter the intensification of the emergency due to COVID-19 epidemic, the Decree of the President of the Council of Ministers 11.06.2020 as well as the Minister of Health Ordinances of 30 June 2020 24 -30 July 2020, have established that:

- all natural persons entering Italy, by air, rail, sea or waterway and road transportation, even if asymptomatic, are obliged to immediately communicate their entry in Italy to the Department of prevention at the competent local health unit (ASL) of the entrance district, and are subject to health surveillance and fiduciary isolation for a period of fourteen (14) days at their dwell, house or residence as specified in this statement. In case of COVID-19 symptoms onset, it is mandatory to report this situation immediately to the Health Authority through the pertinent telephone numbers;
- if it is not possible to reach dwell, house or residence indicated as the place where the surveillance period or fiduciary isolation should take place, natural persons must communicate it to the local health authority, which informs immediately the Regional Civil Protection that, in coordination with the Department of Civil Protection of the Presidency of the Council of Ministers, determines how and where to carry out surveillance healthcare and fiduciary isolation, with expenses borne exclusively by people subjected to the aforementioned measurement;
- in derogation from the provisions of the previous point, exclusively for proven working needs, absolute urgency or situations of necessity, health reasons and for a maximum time not exceeding 120 hours; natural persons entering Italy, are obliged to immediately communicate their entry in Italy to the Department of prevention at the competent local health unit (ASL) of the entrance district and must submit a formal statement to the air company upon boarding, pursuant to Law art. 46, 47 of the Decree of the President of the Republic December 28, 2000, n. 445, specifying in detail what the proven reason and duration of the permanence in Italy; dwell, house or residence address in Italy; private vehicle used to go from the place of landing/arrival to the abovementioned address; telephone (eventually mobile) number to receive communications during the permanence in Italy. At the end of such mentioned period, it is mandatory to leave Italian territory, otherwise sanitary surveillance and fiduciary isolation must start and last for the next 14 days at the address declared, and in the event of COVID-19 symptoms' onset, it is also obligatory to report this situation immediately to the Department of prevention at the competent local health unit (ASL) through the pertinent telephone numbers and start fiduciary isolation while health authorities are taking actions for the specific case;
- in case of land transport, transit in the Italian territory is authorized, also to the purpose of going to another State (EU or non-EU), by private or personal vehicle, with the obligation to immediately communicate the entry in Italy to the Department of prevention at the competent local health unit (ASL) relative to the entrance district, and, in the case of onset of COVID-19 symptoms, to report this situation promptly to the Health Authority through the telephone numbers specifically dedicated. The maximum period of stay in Italy is 36 hours. In case of exceeding of this period of stay, it is mandatory to communicate and submit health surveillance and fiduciary isolation.
- in case of air transport, passengers in transit with final destination in other EU or non-EU country are required to communicate to the air company the reasons for the travel and length of stay in Italy, the last destination together with the identification code of the ticket and the vehicle used at such purpose, as well as a phone (eventually mobile) number. In the event of COVID-19 symptoms onset, it is mandatory to report it immediately to the Department of prevention at the competent local health unit (ASL) through the pertinent telephone numbers and to submit isolation as for the measures provided. The aforementioned passengers in any case must not move away from the airport areas specifically intended for them;
- The aforementioned provisions do not apply to:
 - a) crew and travel staff;
 - b) traveling employees;
 - c) citizens or residents of E.U., of signatory countries of the Schengen Agreement, of Andorra, of Principality of Monaco, of Republic of San Marino, of Vatican City State, of Great Britain and Northern Ireland for proven working reasons, except those persons that in the previous 14 days has stayed or passed through Bulgaria or Rumania;
 - d) healthcare personnel entering Italy to practice professional healthcare, including the temporary practice pursuant to Law *art. 13 D.L. 17.03.2020, n. 18*;
 - e) cross-border workers entering and leaving the national territory for proven work reasons and the consequent return to their dwell, house or residence;
 - f) staff of companies with registered or secondary offices in Italy who travels abroad with proven working needs that doesn't exceed 120;
 - g) movements to and from the Republic of San Marino or the Vatican City State;
 - h) officials and agents of the European Union or international organizations, to diplomatic agents, to diplomatic administrative and technical staff, to consular officials and agents;
 - i) pupils and students who attend a study course in a State other than that of residence, home or dwell, to which they return every day or at least once a week.
 1. Travel is also permitted for proven study reasons.
 2. In any case are allowed:
 - a. The entry into the national territory of citizens of the States referred to in Article 6 paragraph 1 of the Prime Ministerial Decree of 11 June 2020 and their family members.
