

“

*It's clear that the investment plan is crucial,
and that the fourth runway at Fiumicino Airport
is a goal that we are absolutely determined to see realised:
with the increasing passengers' numbers,
we don't want a situation where demand for
connectivity in our city,
our region and our country exceeds
our capacity to accommodate it.*

”

ROBERTO GUALTIERI

Mayor of Rome

Inauguration of easyJet's New Base at Leonardo da Vinci Airport
