

The construction of the fourth runway at Fiumicino Airport represents a tangible opportunity for economic growth and job creation in the local area. The expansion of the airport strengthens the strategic role of our municipality within the national and international transport system. Forza Italia supports all initiatives capable of attracting investment and generating employment, while maintaining a strong focus on the competitiveness of our airport. The future of Fiumicino lies in infrastructure development and in the ability to seize the challenges of modernity.

ALESSIO CORONAS

City Councillor and Parliamentary Group Leader of Forza Italia in the Municipality of Fiumicino
