

“ Aeroporti di Roma manages a [hub of] absolute international excellence. For years, Fiumicino has been Europe's leading airport, a true experience to be enjoyed both during the journey and upon arrival. Leonardo Da Vinci is one of those decisive assets for choosing to come to Rome; it must be able to grow structurally to accommodate even more tourism and more people. ”

ALESSANDRO ONORATO

Councillor for Major Events, Sport, Tourism and Fashion of Roma Capitale
General Assembly of Tourism of Rome Capital
